Why SSID is more than a college

Sri Sukhmani Institute of Design offers unparalleled benefits for aspiring designers

- **Legacy** : With 6 decades of excellence in professional education, our design institute has a rich legacy of nurturing creative talent.

- **Campus**: Nestled in the heart of the capital city, we are always up to date with the latest trends in design education.

- **Learning Spaces**: State-of-the-art facilities with spacious rooms, designed as per subject demand, well-stocked library and leisure facilities, well equipped learning studios, photography lab, form and structure workshop and lifestyle studio. The campus is technology enabled and has air conditioned smart classrooms.

- **Academic Pathway:** SSID stands out due to our comprehensive curriculum that spans multiple design disciplines, including Fashion, interiors and Communication Design. Our Design curriculum integrates Artificial Intelligence to enhance creative learning and innovation.

- **Experts & Mentors** :Our mentors comprise Industry veterans and accomplished designers who bring a wealth of knowledge and real-world experience to the classroom. Their mentorship and guidance bridges the gap between academic learning & practical application, ensuring that students are well-prepared to meet industry demands.

- **Campus Life Activities** : Students benefit from interacting with a diverse group of peers, participating in team projects, and showcasing their work in exhibitions and shows.

- **Students' Clubs** : The students' clubs are vibrant spaces where ideas come alive and passions find purpose. The clubs help students 'Grow. Lead. Belong.'

- **Placement Cell** : Our Placement Cell serves as a launchpad for creative careers, linking students with leading design houses, studios & brands.it nurtures professional readiness while celebrating each student's unique creative identity.

Founding Visionary

SSID 's management team comprises of seasoned professionals and industry experts dedicated to providing an innovative and supportive educational environment to the students.
Their strategic vision and commitment to excellence ensure the institute remains at the forefront of design education.

DR. KANWALJIT SINGH

FROM THE DESK OF CHAIRMAN

"Welcome to Sri Sukhmani Institute of Design. SSID is one of the foremost centres for art and design education in India. We are proud of a tradition of vocational education, that dates from the foundation of the parent society, Educational Society of Professionals & Vocationals, in 1972.
Education is an inward journey that manifests itself in the world outside. To unfold this mystery of life, our children are made to grow in intelligence and sensitivity through meaningful experience in classroom and outside.
Sri Sukhmani Institute of Design offers a range of design degrees, diplomas and certificates, which lead to our comprehensive portfolio. The creative industries play a vital role today, in the economic and cultural life of the country.
 We endeavour to provide our students with the knowledge, skills and confidence that are relevant to contemporary creative practice.
 We nurture your talent so that you can achieve your aspirations."

The Torchbearers

MESSAGE FROM THE EXECUTIVE DIRECTOR

DR. SANJANA KALRA

"SSID is a distinctive, learning ecosystem, powered by expert educators who challenge and inspire. We have a diverse pool of talented and visionary thinkers as faculty – great minds that inspire, educate, and innovate.

SSID is a place where all students can realise their full potential. The educational experience here prepares well-rounded graduates who are academically outstanding and practically grounded.

SSID is where generous scholarships, entrepreneurial programs and industry placements equip our students with the support and leadership qualities they need to excel, in futures they haven't even imagined yet.

As we move forward in an AI-driven era, we remain committed to integrating emerging technologies with human creativity — ensuring our graduates are not just job seekers, but future-ready creators, innovators, and changemakers.

I invite you to be part of this vibrant journey — where design meets purpose, and learning becomes a lifelong passion."

MESSAGE FROM THE DEAN ACADEMICS

"At SSID education is looked upon as holistic learning experience to develop qualities of head, hand and heart . We firmly believe that today's youth is capable of bringing great changes, helping the nation progress in every field. The brilliant performance of the students in all the fields of life showcases our dedication to sustaining the high standards of imparting training.

Team work is the essence of any good institution and the relentless dedication of our staff members continues to ensure quality education to all. With the continually changing trends in industry, we continue to move forward with commitment towards more focused and well-research methodologies and training sessions to ensure that we stay abreast with the latest developments and requirements of the fast changing economical and sociological aspects of the industry.

We have opened up our learning spaces in innovative ways using technology that seamlessly link us with the world outside, thus helping to connect the global with localized communities and fulfil our motto of Educate , Empower and Evolve."

DR. RICHA SRIVASTAVA

The SSID Experience

Welcome to Sri Sukhmani Institute of Design- where creativity meets technology to shape the designers of tomorrow...

Sri Sukhmani Institute of Design is a premier design institute, offering undergraduate programs in Fashion, Interiors and Communication Design.

With an AI integrated curriculum, the institute combines creative exploration with technological innovation, preparing students to meet the demands of modern design industries.

Our approach emphasizes conceptual thinking , hands on learning and professional readiness to nurture confident, future - ready designers.

SSID is a venture of International Polytechnic, established in 1979. The Polytechnic is one of the leading institutions for design & management education , in North India.

We are proud of our diverse community, which includes students, faculty, industry professionals, and celebrities who collaborate to push the boundaries of design.

SSID is committed to sustainability and ethical practices, preparing our students to be responsible global citizens.

Build Your Own Program

At SSID you can design your own course as per your interest and preference. You can choose a Design Program and thereafter choose the Core Specialisation. You can further opt for the elective subjects, according to your interests and continue with the Final Research and Major Project, as per the custom made course.

Our Creative Process

Teaching pedagogy at Sri Sukhmani Instutute of Design emphasizes on experiential learning, where students engage in hands-on projects to apply theoretical knowledge to practical experiences. The pedagogy also focuses on mentorship, through iterative processes, encouraging experimentation and innovation. At SSID , real-world exposure through industry partnerships and internships, is vital.

Academic & Campus Protocols

Attendance & Punctuality
- Punctuality is expected for all classes, sessions, workshops & events.
- Late entry during ongoing classes is not permitted.

Academic Conduct
- All assignments, studio projects, and submissions must be original and completed within deadlines.
- Plagiarism, copying designs, or using uncredited work is strictly prohibited.
- Students must participate actively in workshops, seminars and events.
- Carry your ID card at all times on campus

Studio & Lab Etiquette
- Maintain cleanliness and organization in classrooms, studios, labs and workshops.
- College equipment, materials, and tools must be handled responsibly.

Holistic Development

We, at SSID lay great emphasis on Holistic Development of the students by nurturing creativity, critical thinking, and interdisciplinary learning. The mentors promote ethical practices, and sustainability through soft skills, cultural awareness, and personal well-being This approach prepares students for real-world challenges, ensuring they become well-rounded, adaptable, and responsible design professionals.

Experential LearningTrips

Educational immersion programs & educational trips , organised for SSID students provide a perfect balance between learning and recreation. These excursions give our students, a deeper understanding of their subjects. At the same time, they promote bonding, relaxation and creativity, making education more engaging.

These trips endeavour to inspire students by combining exploration with learning, enriching both their academic and social experiences.

Professional Engagements

Sri Sukhmani Institute of Design also organises professional engagements for students with the aim to bridge the gap between academic learning and real-world industry experience. These opportunities help students build their portfolios, network with professionals, and gain practical skills that enhance their employability.

Fashion Shows, Exhibitions & Portfolio Presentations

Professional Development & Placement

Career Development

We believe every designer's journey is unique — and so is their path to success. SSID's Career Development Cell empowers students to identify their strengths, explore opportunities, and craft a professional trajectory aligned with their creative vision.

We go beyond traditional placements — preparing students to thrive as design professionals, innovators, and entrepreneurs. Through strategic collaborations with industry partners, design studios, and creative agencies, students gain real-world exposure via internships, live projects, and professional mentorship.

Specialized modules in portfolio design, communication skills, entrepreneurship, and personal branding ensure our graduates stand out in an ever-evolving creative landscape.

At every stage, we ensure our learners are not just prepared for jobs — but prepared to create them.

Entrepreneurship & Brand Development

At SSID , we go beyond placements - nurturing innovators who build brands, lead teams and create opportunities for others. We endeavour to shape job seekers, into job creators through our Brand Development modules.

Creating Design Leaders and Entrepreneurs

Our programs empower students to go beyond design execution and step into leadership and entrepreneurial roles. From understanding market dynamics to crafting personal and business brands, students gain the mindset and tools to turn their creative passion into purposeful enterprises.

Campus Life Activities

Cultural activities at SSID are the heartbeat of student life. Through a vibrant mix of festivals, workshops, performances, and competitions, we celebrate the rich cultural heritage and dynamic spirit of our student body. These activities provide a platform for students to express themselves, explore new perspectives, and build lasting connections. Whether it's music, dance, drama or other visual arts, our cultural events are designed to inspire and engage, making campus life more enriching and fulfilling.

Campus Clubs

At SSID, students get ample opportunities to explore interests, develop new skills, and build lasting connections through campus clubs in various categories, from academic and professional organizations to creative arts, cultural groups, sports, and community service initiatives. Being a part of such campus clubs, helps students enhance their college experience beyond the classroom, engage in collaborative projects and take on leadership roles.

Campus Clubs enhance personal growth, encourage networking, and allow students to explore their passions in a supportive environment. They also offer platforms to apply academic knowledge, gain practical experience and contribute to the campus community.

Student Speak

Jyoti Kushwaha
INTERIOR DESIGN

"My experience of studying Interior Design at SSGI was truly enriching.
The curriulum was well structured, convering essential design principles, space planning, and advance software.
The knowledgeable and supportive faculty encouraged creativity and innovation at every step. Thanks to the strong foundation I built here, I secured a position at the renowned German brand Hacker.
I am deeply grateful to the institute for shaping my career & highly recommend it to aspiring designers"

Häcker kitchen.germanMade.   **Interior Designer**

Khushi
COMMUNICATION DESIGN

"I would like to thank Sri Sukhmani Group of Institutes for shaping me as an artist and for giving me faculty, who are like your personal mentors & sincerely care about your success.
This is the place where I discovered myself.
I got to spread my wings & probably became the best version of myself, here.
Forever grateful for all the opportunities SSGI provided me"

Freelance Artist

Varnika
FASHION DESIGN

"My three- year experience at International Polytechnic was highly enriching,.
I tharoughly enjoyed every aspect of learning, designing, and gaining knowledge.
The course of study, through assignments and fashion shows was truly rewarding.
It has been an enlightening journey"

Freelance Designer

Muskan Gaur
FASHION DESIGN

"I did my Fashion Design course from SSGI.
All the faculty were supportive throughout my course and were very helpful and friendly.
 I enjoyed taking part in lots of extra curricular activities here.
 I also got the opportunity to take part in various exhibitions, workshops & fashion shows.
Also got the chance to interact with & meet famous designers like Manish Malhotra, during the course"

Pernia's POP-UP SHOP   **Store Merchandiser**

Student Speak

Bhaavya Dwivedi
FASHION DESIGN

"International Polytechnic is not just a college but a budding ground for upcoming designers. The 3 years I spent here were the best years of my life!
The college not only focuses on academics but also lays equal emphasis on extra-curricular activites, which help students become all rounders.
The faculty is highly supportive and friendly.
International Polytechnic was indeed my second home for the 3 years that i studied here!
It has been an unforgettable experience"

Nalli® Fashion Stylist

Archna Shah
INTERIOR DESIGN

"My experience while studying for my professional degree at SSGI, was quite amazing.
We had the best faculty- all experts in their own fields.
It has been a truly enriching experience and I am grateful to SSGI for shaping me into the person, I am today"

**-Principal Design Consultant,
ARC Design and Developer Pvt. Ltd**

Pragya
FASHION DESIGN

"There is no easy road to success is something I learned at SSGI.
I am grateful to this institute for providing me with an environment where I could nurture my skills.
II would like to thank all faculty members for the guidance and support they provided to me throughout my college tenure and for instilling the required skills in me "

-Freelance Designer

Divya Bagri
INTERIOR DESIGN

" Big dreams lead me to International Polytechnic, where I was able to shape my career into a successful journey as an Interior Designer. This college not only helped me build a strong professional foundation but also contributed to my overall development, providing me with valuable experiences. The teachers here are exceptional career guides- highly encouraging and supportive. With the knowledge and skills gained here, I managed to secure a position at one of the top Interior Design firms, Livspace, Gurugram.
I am truly grateful to the institute for being a pivotal part of my journey"

LIVSPACE Senior Interior Designer

Admission Process

BE A PART OF THE PRESTIGIOUS SRI SUKHMANI EDUVERSE

- Fill the online Application Form available on the institute's website or at the Admission Office.
- Submit required academic documents and identification proofs.
- Appear for the entrance assessment or portfolio review
- Attend a personal interview with the admissions panel.
- Shortlisted candidates will receive an offer letter upon successful evaluation.
- Confirm admission by paying prescribed fee and submitting original documents for verification.

SCHOLARSHIPS

·Scholarship of up to 50% on Tuition fee, is awarded based on merit basis - considering performance of applicant in the S.S. Scholarship Test (inclusive of a Written Exam & a Personal Interview).
·To continue availing scholarship in all years of study, the student is required to maintain a minimum GPA, through all the semesters .
·Amount of scholarship awarded is on sole discretion of the SSID management committee.

Join a vibrant community of designers shaping the future of creativity...

SSID Advantage
